Dear Satou You,

It has been a while.

How are you?

I'm sure you're fine.

I believe that,

without even having to ask,

you now also know what

I understood.

Now then,

who was I?

I am sure you already know.

**HELLO.
PLEASED
TO MEET
YOU.**

**I AM A
CHERRY
BLOSSOM
FAIRY.**

KIDDING!

**I'M
ACTUALLY
AN ALIEN!**

...WHICH
IS A LIE.

THE
TRUTH
IS

I CAN
SEE A BIT
OF THE
FUTURE.

You did not believe what I told you
but I have always known that
you were in that hospital.

Even the fact that your heart won't last long.
